## ***THE NELLIES***

***Sunday, April 8 @ 3 pm***

The Nellies, an Albany, NY based, rootsy, alt-country, Americana band, will be performing a special concert at Emmanuel Friedens Church. The band is driven by core singer-songwriter duo, Karen Ann (acoustic guitar) and Peggy Lecuyer (mandolin) who both contribute driving rhythms and beautiful two part harmonies to their songs. They will be joined by master flat-picker Mike McMann on guitar, and the amazing Gene Lemme on the upright bass. You will find The Nellies' energy contagious. Their fun loving stage presence will put a smile on your face. Come join in the fun!
